Subject: Docket No. 2019-226-E: South Carolina Energy Freedom Act (House Bill 3659)
 Proceeding Related to S.C. Code Ann. Section 58-37-40 and Integrated Resource Plans for Dominion Energy South Carolina, Incorporated

March 10, 2020

Dear Parties of Record:

Counsel for SC Coastal Conservation League and Southern Alliance for Clean Energy requested a scheduling conference or meeting to seek a proposed hearing schedule. See the letter filed in the DMS for this docket.

Time is available on Wednesday afternoon (on 3/11/20 after 3:00 p.m.), on Thursday (3/12/20) except for between 9-12, or anytime on Friday, 3/13/20, for a status conference meeting. Please consult with each other on a time that is agreeable for all so that each party is represented during the conference. You may also consult with each other regarding a procedural schedule prior to any scheduling conference/meeting. The scheduling conference/meeting can also be held hear at the Commission if the parties desire. Please let me know.

Order No. 2020-158 provides that a hearing on the merits will be scheduled during the first week of October 2020. Monday, October 5th through Thursday, October 8th are currently available for a hearing. The general pre-filed testimony deadlines set by the Clerk would typically allow 4 weeks between Applicant/Company Testimony and All Other Parties Testimony Due, then 3 weeks later for Rebuttal Testimony of the Company, and then the Surrebuttal testimony is due 3 weeks thereafter followed by the hearing beginning 2 weeks later. If this same format is needed by the parties, this would mean that Surrebuttal Testimony deadline would need to be during the week of September 14th to provide a similar timeline before an October hearing. All discovery would be completed between the parties and any discovery motions (if any) resolved prior to the time that prefiled testimony deadlines begin. I hope this information will help to aid in any discussion.

I look forward to hearing from the parties of record regarding a date/time for the scheduling conference. **Please "REPLY ALL" for any communication that is intended to include me as the PSC Hearing Officer.** Also, any communication to me, or any commission employee or staff, must be filed in the DMS by your counsel by Order of the PSC. Unfortunately, I cannot file the correspondence for you, but I do file in the DMS any correspondence that I send to the parties of record in this docket.

With kind regards,

C. Jo Anne Wessinger Hill, Esq.
